

# The FCS Express Difference Moving Beyond FlowJo®

Children Cancer Research Institute  
July 25<sup>th</sup>, 2019 – from 1:00 PM

RSVP Today

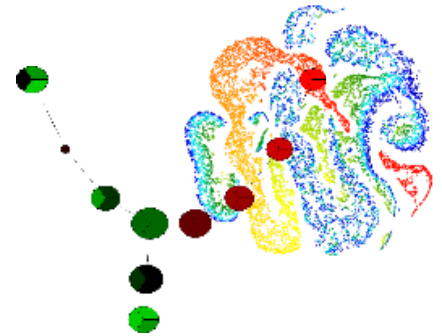

The De Novo Software approach to flow cytometry data analysis allows for advanced analysis with an easy to use interface and efficiency in mind. FCS Express allows you to access data analysis tools **from any computer and as many computers as you would like** so you can analyze when and where you need to. Join us for this special Introduction Session to get a head start with FCS Express.
